CIRCULAR LETTER – No. 07-02

TO: All Keg Permittees

FROM: Francis J. Monahan 
Director
Bureau of Law Enforcement

SUBJECT: **REVISED KEG REGISTRATION LABEL AND INSTRUCTIONS**

DATE: June 1, 2007

When you receive your next keg registration book order, you will notice that there have been some changes to the layout. This new layout is to better ensure the protection of the identity of your customers, while still obtaining the required information.

The most notable change is the addition of the red portion at the bottom of the label for the ID number and the date of birth. This red portion of the label should be completed but **NOT PLACED ON THE KEG**. It is to remain with the booklet that you keep as record of the purchase and is subject to inspection by ABC Special Agents. The instructions on the front cover of the booklet have been updated to assist you in completing the new label.

Please be sure to use up any of the old style Keg Registration Labels utilizing the instructions set forth in the attached Circular Letter 06-03 that was issued September 16, 2006, before using the new ones.

Your detailed attention in this matter is important and greatly appreciated.

If you have any questions regarding this or any other ABC issue, you may contact your local agent. Thank you for your cooperation.
